My daughter JENNA lost her X Box AND A lot OF Things That meant alot to her but She MAINLY misses The X-Box. Set Pots for Cooking would be nice. We have been very lucky to have family & friends to give us clothes & Bedding we are very grateful to every-one in Waveland that has helped all the families PULL THROUGH THIS !

WAS STAYING on Carol ST. in BSL & I WAS very WORRIED about them. We drove through a lot of WIND & Debris AND Were probably the only ones on the road. We got to 603 & a bunch of Vehicles were stopped because There was no 603. IT Looked like 603 WAS a River. I WAS freaking out because I had already heard that there were people dead. We got back on the INterstate & went to the NEXT Exit & tried to come down 607 to Hwy 90, we only got to The Alligator Sign & A PATrolman WAS There telling everyone that the whole city is UNDERwater & there is NO WAY in until the WATER recedes. I WAS hysterical!!!

We did NOT have NO gas & NO where to go. We decided to try & get into Stennis & thank god we were able to but there was so many People there already & no electricity, food etc.

Tuesday we were able to find someone who gave us enough gas to make it into waveland & I have it on Video everything that we were looking at destroyed. my front door WAS blown in AND when I saw the inside of my house all I would do was Cry. my family on Carol ST. were FINE, JUST Shakened up from living through this Nightmare
